GRANTING R. P. PRICE PERMISSION TO SUE THE STATE

Mr. Scott offered the following resolution:

S. C. R. No. 75, Granting R. P. Price permission to sue the State.

Whereas, On the fourth day of September, 1929, R. P. Price and wife, of Mitchell County, Texas, by deed of that date duly recorded in the deed records of Mitchell County, Texas, sold and conveyed to Fred Brown, a tract of land 60 feet by 45 feet out of Lots Nos. Seventeen (17) and Sixteen (16), in Block No. Thirty-eight (38), in the original town of Colorado, Mitchell County, Texas, which property is fully described in said deed of record in volume 77, on page 87, of the deed records of said county; and the said grantors in said deed did retain a first vendor's lien upon said land to secure the payment of seven purchase-money notes for five hundred dollars (\$500) each, which lien was and is a first and prior lien upon said property, except for taxes; and

Whereas, The last five of said notes are long past due and unpaid, both principal and interest, and said land is now not worth the amount due upon such first lien upon it, and the said Fred Brown is desirous of reconveying said property to the said R. P. Price in cancellation of said indebtedness and lien, but, owing to the fact that a number of judgments have been filed and abstracted against the said Fred Brown in said County of Mitchell, renders it necessary that a suit for foreclosure of said vendor's lien be brought, in order that a clear title, free of all junior liens, may be had by the purchaser at the foreclosure sale of such property; and

Whereas, On the seventh day of August, 1931, the State of Texas recovered a judgment in the Ninety-eighth District Court, of Travis County, against the said Fred Brown, the Massachusetts Bonding & Indemnity Company, and the American Surety Company of New York for the sum of twenty-one thousand seven hundred and thirty-two dollars and thirty-seven cents (\$21,732.37) with eight per cent (8%) interest from said date and thirty-eight dollars and eighty-five cents (\$38.85), costs of suit, and an abstract of said judgment was filed in Mitchell County, Texas, on

September 1, 1931, and was duly recorded in the judgment lien records of said county, thereby fixing an apparent lien upon said property conveyed by R. P. Price and wife to Fred Brown, as aforesaid, as well as upon other real estate of the said Fred Brown, in Mitchell County; and

Whereas, In order to clear the title to said property, it is necessary that the State of Texas be made a party defendant to any suit brought by said R. P. Price, as the owner and holder of said vendor's lien notes given by said Fred Brown in part payment of said land; now, therefore, be it

Resolved by the Senate of the State of Texas, the House of Representatives concurring, That R. P. Price be, and hereby is, granted permission to bring suit against the State of Texas in a court of competent jurisdiction as party defendant in a suit to foreclose the vendor's lien asserted by said R. P. Price upon the property conveyed by him to Fred Brown, and to determine the priority of the lien of the said R. P. Price, if any he can show, over that held by the State of Texas upon said property, and for general relief; and that service of citation in such suit, or other necessary process therein, may be had upon the Attorney General with the same force and effect as in civil cases.

The resolution was read second time.

On motion of Mr. Scott, the Rule, which requires that the resolution be first referred to a committee, was suspended.

The resolution was then unanimously adopted.

PROVIDING FOR THE APPOINTMENT OF A POET LAUREATE

The Speaker laid before the House, for consideration at this time,

S. C. R. No. 82, Providing for the appointment of a Poet Laureate.

Whereas, There is a close connection between the long growth of civilization and the development of literature; and

Whereas, It has been customary in all ages for governments to recognize this relation by elevating the poet to the same plane as statesmen and military leaders; and

Whereas, The recognition of outstanding poets in this State and their elevation to places of honor will have a wholesome and beneficial effect on literature in this State; now therefore, be it

Resolved by the Senate of the State of Texas, the House of Representatives concurring, That at this Regular Session of the Legislature, two Members of the Senate, to be named by the Lieutenant Governor, and three Members of the House, to be named by the Speaker of the House, shall constitute a committee of five to appoint and designate some outstanding and recognized poet, who is a citizen of Texas, who shall be Poet Laureate of the State of Texas for a period of two years from such appointment and designation.

The resolution was read second time, and was adopted.

RELATIVE TO AUDITOR'S DEPARTMENT

The Speaker laid before the House, for consideration at this time, the following resolution:

S. C. R. No. 77, Relative to the Auditor's Department.

Whereas, The Legislature of this State, in the general appropriation act for State departments, Chapter 286, Acts, Regular Session of Forty-second Legislature, as amended by Chapter 8, Second Called Session, Forty-second Legislature, appropriated the sum of forty thousand dollars (\$40,000) for each of the fiscal years beginning September 1, 1931, and September 1, 1932, respectively, to the State Auditor's office to be expended by the State Auditor, upon the approval of the Governor, in auditing the oil and gas royalties that have accrued and were and are accruing to the Permanent School Fund, the Permanent University Fund, and to other funds of the State; and

Whereas, The State Auditor's office has expended its regular appropriations for general maintenance and salaries in large part upon the special audit of judiciary deficiency accounts, as required by Acts, 1931, Chapter 108, General Laws of the Regular Session of the Forty-second Legislature; and upon the compilation of

the report on taxes and indebtedness of local units of government in Texas, as required by Acts, 1931, Chapter 279, General Laws of the Regular Session of the Forty-second Legislature, so that now these appropriations are practically exhausted; and

Whereas, It is the sense of this Legislature that provision should be made for the continuance of the audits and investigations now under way and uncompleted by the State Auditor's office; and

Whereas, Such audits and investigations can be continued by a transfer of five thousand five hundred dollars (\$5,500) out of funds already appropriated from the General Revenue Fund as hereinbefore stated; now therefore, be it

Resolved by the Senate, the House of Representatives concurring, That said sum of five thousand five hundred dollars (\$5,500) be, and the same is hereby, transferred from the appropriation for the audit of oil royalties to the State Auditor's office for salaries and general maintenance of said office as herein authorized.

The resolution was read second time, and was adopted.

House of Representatives,
Austin, Texas, May 10, 1933.

Hon. Walter C. Holloway, House of Representatives.

Dear Mr. Holloway: In view of the fact that the House Journal reflects your absence on certain occasions and pending the discussion of certain measures, I want to make a statement which may be helpful to you should the cause of your absence ever be questioned.

Sincerely your friend,
